MEMORANDUM FOR THE RECORD

SUBJECT: C =

1. On 5 July we called Subject to inquire for news of AEABYSS 1. We were told that C = is expecting his friend sometime in August, but no firm date was known. We told C = that we may then not be here to meet with his friend, but C = thought that the vacation of A/1 may extend into September.

(Note: since we have made no arrangements for a substitute should A/1 arrive while we are in the States, we may miss this meeting completely. If this should be the case, we shall get in touch with C = before we leave and tell him to get the highlights of A/1's trip. Since HQ is <sup>only</sup> slightly ~~more than~~ interested in this case, we don't think that much will be lost if we skip this meeting and wait until Christmas, when A/1 will return.)

2. C = told us that his son had returned from the States and is now employed in the same firm as his father. There are plans for an extended tour in Pakistan to construct some kind of railroad car plant for young C = but nothing firm yet.
